

CANYON RANCH

CALISTOGA

SIDWAYS DOWN

3 BEDROOMS • 3 T&B • SPLIT LEVEL LIVING & DINING AREA
WALK-IN CLOSET • DEN • FAMILY ROOM • BALCONY

Enviably located at the Ridge, the 130 sqm Calistoga's split-level living and dining areas come with double-height ceiling. Its sideways, split-level design allows for cross ventilation and full appreciation of the natural rolling terrain. Large windows accommodate more sunlight and maximize surrounding views, and these of course best complement the balcony, which offers magnificent views of Mt. Makiling and Laguna de Bay.
